

LIFE'S PETALS **and** SOCIALLY PRIVILEGED HOST

MOTHER'S DAY EDITION

April 24, 2009

To whom it may concern:

Mother's Day is fast approaching and your business can be a part of an exclusive Mother's Day experience! On Saturday, May 9th Life's Petals Events and Socially Privileged Entertainment will host the 'The Pretty Party: Mother's Day Edition' - a day of beauty dedicated to those special women in our lives. Mothers will be treated to a full make-up session by Tinnell McIntyre, an artist whose impeccable talent has left her in-demand for brides, models and socialites throughout Houston, Dallas and Miami. Guests will have their hair lightly styled and then pose for the camera during their own mini-photo shoot with Viva La Paloma owner and photographer, Jeremy Biggers, as he captures their inner and outer beauty on film.

The Pretty Party is a great opportunity to market your products and services, as mothers young and old will flow in and out of the studio throughout the day, with ample time to browse and inquire about your offerings during their stay. Your involvement will only enhance the experience for these women, and we invite you to consider the following opportunities.

A special opportunity like this doesn't come around often, so be sure to take advantage of it. **Please note: The deadline for participation agreements is May 7th.** Thank you for your time and consideration of this request.

Sincerely,

Managing Director
